Mercure Granville Le grand Large

Established in the former villa of Christian Dior's childhood friend, the Mercure Granville Le Grand Large pays tribute to the great couturier with its decor. Our hotel features a meeting room, a beauty center and a wellness area including a fitness room and sauna.

But it's most prized for its 66 rooms and suites with balcony, private access to the beach and terrace with solarium offering breathtaking panoramic view.

Granville is known as the Monaco of the North, thanks to its origins with the GRIMALDI family. The birthplace of Christian DIOR, his museum is just 50 m from the hotel.
